

Strategic Risk Solutions Expands Cayman Team

Grand Cayman, CI – March 5, 2009. Strategic Risk Solutions (SRS), a provider of captive management and consulting services today announced the addition of two new captive professionals, Colin Robinson and Kristine Corella to its Cayman servicing team.

Mr. Robinson, who joins SRS as an Account Executive, has worked in the insurance and captive insurance industry for 7 years. He was formerly a D&O underwriter and was most recently a Senior Account Manager with Marsh Management Services Cayman.

Ms. Corella, who joins SRS as a Client Accountant, has been an Audit Associate with Deloitte since gaining her CPA in 2006,

“We are delighted that Colin and Kristine have decided to join SRS” said Ron Sulisz, Director, SRS (Cayman). “With the addition of Colin and Kristine as well as Michelle McTaggart and Courtney Flynn, who joined us last year, we have developed a strong team in response to the growth we have experienced. We are excited about working with this group to deliver the highest standard of captive services to our clients. Our staff compliment by the end of March 2009 will include 9 experienced managers and or CPA’s, giving us a very low client to employee ratio; echoing our commitment to service and capacity for growth”, added Sulisz.

For the second straight year Strategic Risk Solutions (SRS) was the fastest growing captive manager in the Cayman Islands according to figures released by the Cayman Islands Monetary Authority. SRS added an additional 16 new captives during 2008 including four new formations. This growth places SRS as the sixth largest manager in Cayman in terms of numbers of captives under management having leap-frogged Kensington Management and Willis Management during the year.

“2008 was a very strong year for SRS in Cayman” said Seamus Tivnan, Director SRS (Cayman) Ltd. “The growth we experienced is validation of our business and operating model. Captive owners have responded positively to the stability and level of service we can provide and the caliber of our team. The SRS model and Cayman Directors, Wayne Cowan and Ron Sulisz, were the reasons behind my joining SRS in April 2008. In a very short period of time they have demonstrated how successfully it works”. added Tivnan.

About Strategic Risk Solutions (SRS) www.strategicrisks.com

SRS is a leading independent captive management firm with representation in all major onshore and offshore domiciles. It provides financial reporting, regulatory compliance and underwriting management services to existing and prospective captive insurance companies. SRS started operations in the Cayman Islands in 2004.
