

UMass Memorial Health Care Selects Strategic Risk Solutions as Captive Manager

George Town, Grand Cayman - April 10, 2006 UMass Memorial Health Care announced that it has chosen Strategic Risk Solutions (SRS) to provide captive management and consulting services for its captive that is domiciled in the Cayman Islands. SRS will provide accounting, regulatory compliance and insurance management services for the captive.

“After conducting a thorough search for a new captive manager, we are confident that we have selected a very competent and knowledgeable service provider in the Cayman Islands,” said Bob Feldmann, Corporate Controller at UMass Memorial Health Care. “SRS’ depth of expertise, independence, customer focus and technology were key factors in our decision.”

About UMass Memorial Health Care

UMass Memorial Health Care is the clinical partner of the University of Massachusetts Medical School and the largest health care system in Central and Western Massachusetts. This nonprofit system encompasses a complete health care continuum, with a multi-campus academic medical center, member and affiliated community hospitals, community-based physician practices, ambulatory clinics, long-term care facilities, home health agencies, hospice programs, and rehabilitation and behavioral health services
