Concord, MA, January 8, 2018 - Strategic Risk Solutions Europe (SRS Europe) today announced that Annette Heaney has joined the firm as Associate Director and Head of Finance Europe. Ms. Heaney is to focus on the captive management client services delivery platform in addition to supporting the firm's expansion into various European captive domiciles.

Ms. Heaney joins SRS Europe from Marsh Captive Management Dublin where she spent more than 10 years as Account Manager serving large and complex multinational captive owners domiciled in Ireland. Her experience at Marsh included successfully helping her clients navigate and comply with the implementation of the Solvency II Directive.

"I very much look forward to welcoming Annette to SRS Europe. At the start-up phase having individuals that are willing to step up to the mark, work across multiple activities and have a strong client service focus is important. In Annette we have identified such attributes including a strong technical background and look forward to supporting her future career growth," said Stuart King, President and CEO of SRS Europe. Ms. Heaney will be based in Dublin, Ireland. In addition to her duties at SRS Europe she will also support other global offices in the Group.

"After more than 10 enjoyable years at Marsh Dublin, leaving to join SRS Europe is a welcome challenge and one I very much look forward to. SRS is widely known for being a highly client orientated captive management firm and putting their clients' interests first and foremost. As an independent firm they genuinely work with their clients innovatively and as a true trusted advisor to deliver an exceptional service.
