

## **SRS Acquires Allenby Consulting**

Concord, MA, March 1, 2022 – Strategic Risk Solutions (“SRS”; “the Company”), the world’s largest independent insurance company manager, today announced the acquisition of Allenby Consulting Ltd and the appointment of Neil Campbell as Senior Consultant within their risk consulting team.

Based in the UK, Allenby Consulting Ltd was established in 2014 by Mr. Campbell to provide independent, professional advice on corporate risk financing and alternative risk transfer strategies to large, global companies and over the last 8 years has gained a reputation as being a leader in the design and implementation of structured reinsurance programs for captives.

Prior to 2014, Mr. Campbell led JLT’s global Life Science practice in London which gained a reputation for thought leadership and product innovation. He is also one of the originators of and part of the current innovation team behind the development of unique supply chain insurance solutions responding to regulatory risk in the Life Science Industry.

From 1993 to 2005 he was Risk Manager for Zeneca and AstraZeneca, during which time he was one of the project leaders in the 2003 creation of Pharmaceuticals Insurance Ltd, Bermuda, the pharmaceutical industry mutual for property and business interruption insurance.

SRS Managing Director Derek Bridgeman said: “On behalf of the entire team at SRS I would like to welcome Neil to our team. Neil brings a wealth of experience and his particular skill-set around ART and structured reinsurance will ensure SRS continue to provide best-in-class risk financing solutions for the benefit of our clients.”

Mr. Campbell said: “After 8 years of working solo, building a business that helps corporates use their captives more imaginatively and effectively, it definitely feels like the right time to be joining up with SRS as it is clear that we share a vision for the future of risk financing. And I am very excited to be working with a such a great team.”
