One of the leading captive domiciles in Europe, with 35 years of experience since the first captive was licensed in 1989. A thriving global hub for commercial and captive (re)insurance companies, with the ability to direct write into all 30 EU/EEA countries.

Regulation

Regulator: Central Bank of Ireland ("CBI")

Applicable Regime: Solvency II

Minimum Capital Requirement for Captives:

- EUR 2.7m for Non-Life Direct Insurance companies (including captives) if there are no Liability or Credit/Suretyship risks
- EUR 4m for Non-Life Direct Insurance companies (including captives) if Liability or Credit/Suretyship risks are included
- EUR 4m for Life Direct Insurance companies (including captives)
- EUR 3.9m for Commercial Reinsurance companies
- EUR 1.3m for Captive Reinsurance companies

Reporting Frequency: Quarterly

Intercompany Loans: Permitted, subject to regulatory approval and in accordance with Solvency II Prudent Person Principle.

Licensing

Process: Formal application to CBI - including submission of Business Plan, Own Risk and Solvency Assessment ("ORSA") report and Fitness and Probity assessment for individuals holding key governance and management positions.

Duration: Estimated six to nine months

Threshold for minority shareholder KYC: 25%

Flexibility of licence:

- Direct and reinsurance business permitted within the same vehicle.
- Composite reinsurance licence permits both non-life and life reinsurance business within the same vehicle, useful for employee benefit risks.

Governance

Requirements for:
