(Try the Bailey's Bay Fish Sandwich!)

Situated along Hamilton’s bustling Front Street neighborhood, Port O Call promises diners an “oasis” of calm amidst the vibrant Bermudian shuffle. Highlights from its colorful, contemporary menu include everything from fresh local fish (think poke bowls, tartare, scallops, shrimp, and more) to pork chops, burgers, and steaks. There’s also a 12-page wine list for all you oenophile connoisseurs.

## 07 Mad Hatters

With its rotating menus, walls full of madcap haberdashery, and loving nods to Lewis Carroll, Hamilton city’s Mad Hatters has perfected the recipe for delightful fusion cuisine. Top-rated on Tripadvisor, this enchantingly unusual restaurant switches things up daily, offering carefully prepared meals featuring Asian, Creole, and French influences (among others!). Laughter and hat-swapping encouraged.

## 02 North Rock Snorkel Adventure

Brought to you by the professionals at Bermuda Zoological Society, this unique snorkeling excursion takes visitors 10 miles offshore to North Rock: a quiet, shallow segment of coral reef that’s short on tourists yet “teeming” with ocean life. Children eight and above welcome; under 18s must have a parent/guardian present. Participants must have prior experience.

## 03 Railway Trail National Park

Grab your bike or hiking boots and prepare to traverse all of Bermuda from end to end (almost). This nine-part trail traces the route of “Old Rattle and Shake,” Bermuda’s short-lived railway, which operated from 1931 to 1948. Repurposed in 1964, the Railway Trail is now a public park, spanning 18 miles and offering cyclists and adventurers magnificent island vistas alongside a window into Bermuda’s history.

## 04 2-Stop Snorkel & Shipwreck Adventure

Consider this your two-stop shop to snorkel paradise. K.S. WaterSports provides beginner and intermediate snorkelers with a perfect day out, featuring visits to a local shipwreck as well as a reef that's home to sea fans, brain coral, and the occasional lobster, turtle, or ray. Scenic coastal tour comes standard. Some age restrictions apply, but beginners welcome.

## 07 Historic St. George's Walking Tour

Designated as a World Heritage site by UNESCO for "outstanding universal value," St. George's 17th-century English town is the oldest of its kind in the Western Hemisphere. ## 08 Harbour Nights Street Festivals

A weekly tradition from May to August, Harbour Nights offers a bold, beautiful, and flavorful "celebration of Bermudian culture." Local chefs and artisans peddle their wares as traditional Gombey performers—representing Bermuda's African, British, and Caribbean ancestries—dance and drum their way down Hamilton's famous Front Street.

## 06 Golfing at Tucker's Point & Port Royal

Golf enthusiasts and fans of sweeping ocean views will kick themselves if they miss the Tucker's Point or Port Royal course, both championship greens with accolades from Travel + Leisure Golf and The New York Times to their names (respectively).
