Current Responsibility

Stepping in as the Managing Director & Chief Executive Officer of SRS Titanium, Bob joined SRS in 2025. Bob is focused on helping those clients that are larger in size and risk complexity, to use their captive to their greatest business advantage.

As the leader of SRS Titanium, SRS' newest initiative, Bob is responsible for understanding the needs of the clients and proposing strategies that will enhance their captive structure to provide their business with more efficiencies, as well as strategic innovation to help with the growth of the clients' business.

Experience

With more than 25 years in the captive industry, before joining SRS, Bob served as the Head of Global Captive Management at AIG focusing on the formation, design and management of captive insurance companies on a global scale. Bob also was previously the Head of North American Fronting at AIG, leading the team that provided customized alternative risk transfer programs to help clients manage unique risks.

Bob is a regular speaker at industry conferences and has frequently been named to Captive Review Magazine's "Power 50" a list of the industry's most influential figures.
